Black Votes Matter Election Endorsements

Most years our list of endorsements is made up of several very difficult decisions. Not so, this General Elections. Black or white, Democratic or Republican, what and who we think will work with and for this community, we endorse. Because of serious problems we have with National policy, State policy and local issues this was not difficult in 2018.

This election in many cases we suggest votes as much against as for. Any candidate whose policy and action align with Trump., we oppose. Any candidate whose policy and action align with Ricketts on the death penalty, lack of Medicaid expansion, prison reform, we oppose.

In a few there were some to hard choices, but made choices.

Our endorsements do not cover every election. Only those that north Omahan's can vote on were endorsed.
